

João Mike Bobsin Rieffel

FRONT END DEVELOPER

Profile

Experienced Front end Developer adept in bringing forth expertise in design, systems development, testing, maintenance and documentation. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.

Employment History

Front end developer Analyst, Pmweb, Porto Alegre, Brazil

JUNE 2019 – JANUARY 2021

I started at Pmweb working in adjustments to the websites and systems, got introduced to the product team where I learned and worked with VueJS, I was also entrusted with more responsibilities, I helped to build the company's Omnichannel, worked on rewriting the CRM system and the hotel booking engine.

Later on, in partnership with other coworkers, we designed two projects that today are used by the entire company, the first being a documentation system that manages documentation from all sectors and the second project a new apprenticeship program called "University", where we seek young people studying IT college interested in learning to gain working experience in the field.

During my time at the company I worked with:

Vue.JS / Vuex, Nuxt.JS, JQuery, React, API Rest, Concepts UI / UX, Node.JS / Webpack, HTML / CSS, SASS, JQuery and Jira

Junior Developer, Unilasalle, Canoas, Brazil

SEPTEMBER 2018 – JUNE 2019

Developed improvements to the institution's administrative and academic systems. I developed administrative reports using data received by the API. I acted in the participation of the analyzes with the key users and also in the specification of documents related to the functioning of features requests.

During my time at the institution I worked with:

Javascript, JQuery, HTML/CSS, SASS e API Rest

Web Developer, Luz Propria, Presidente Prudente, Brazil

JULY 2017 – SEPTEMBER 2018

I worked developing websites based on wordpress. Also developed an ecommerce with vtex.

Intern Web Developer, Unilasalle, Canoas, Brazil

JANUARY 2016 – DECEMBER 2016

I worked adjusting bugs and developing financial, academic and administrative reports for the institution.

Education

Systems for Internet, Unoeste, Presidente Prudente, Brazil

JANUARY 2016 – PRESENT
